

Little Dunmow NP Regulation 14 Pre Submission event

The Little Dunmow regulation 14 pre submission consultation was opened on the 14/10/2024. The relevant bodies and parish were invited to submit any comments by 25/11/2024, 5pm. Those bodies whose emails bounced back for whatever reason, were given some extra days to comment, so that a statutory 6 week period was achieved.

We advertised this by :

1. Flyer to every household in the parish.
2. Email to all those whose address we have in the parish.
3. Email to the statutory bodies as per the list given to us by UDC
4. Email to other possibly interested bodies, such as Dunmow Rovers children's football club who use our recreation ground.
5. Emails to the landowners who might have an interest in developing their land in the parish.

We held an event in the grade 1 listed Church St Mary the Virgin on 19th and 20th October 2024, 10 am til 4pm. The consultation on the 20th was piggy backed to the Harvest service and breakfast which is followed by the village churchyard workday which is an annual event.

We displayed the regulation 14 document, the appendices and the maps.

There was some interest from parishioners. In all xxx attended.

We received some comments in writing.

These comments along with those emailed to us have been collated into a document and will go to the Regulation 14 to be submitted to the Examiner.
